- Any costs related to the transport of the product to and from an authorized Easton Service Center
- Any costs required for removing or reinstalling the product from the bicycle
- Compensation for inconvenience, rentals, temporary replacements or any costs incurred while the product is being repaired or replaced.

This warranty expressly provides for the repair or replacement of defective Easton product and is the sole remedy of the warranty. Any and all other remedies and damage that may otherwise be applicable are excluded, including but not limited to, incidental and consequential damages.

Warranty Handling:

In the event of a defect covered by the warranty, please contact an authorized Easton Service Center. In order for claims to be honored, they must be presented within the period of validity of the warranty and with a proof of purchase. Before sending any product to an Easton Service Center to be inspected for warranty consideration, you must obtain a return authorization number from the Service Center. The return authorization number (RA) must be clearly visible on the outside of the packaging of the product. The issuing of an authorization number does not constitute acceptance of the claim, which will be assessed by the Service Center after the product has been inspected.

Easton reserves the right to revise this limited warranty without notice:
